DISCOUNTS AND COMBINATION PACKAGES

We offer Combination Packages (Website Banner, Newsletter and Partner Profile + Category Sponsorship) in three options to suit every campaign and budget: Silver, Gold and Platinum. We understand the value of flexibility in your campaign strategy. Therefore, we offer discounts of up to 20% on 'Combination Packages,' which vary based on the number of newsletter insertions and the length of education listings.

ELEVATING EMPLOYER BRANDING FOR MAN ENERGY SOLUTIONS

Background:

MAN Energy Solutions, a global leader in sustainable energy, needed to elevate its employer brand to attract top engineering and tech talent in a competitive job market. With multiple openings across Europe, the company sought increased visibility among qualified candidates and an impactful, budget-conscious campaign strategy.

Campaign Objectives:

- Boost brand visibility among engineering, tech, and sustainability professionals.
- Engage targeted, skilled candidates.
- Maximize budget impact with cost-effective solutions.

Solution:

To meet these objectives, we developed a tailored media strategy using our diverse range of services on **EuroEngineerJobs** and **EuroTechJobs**:

- **Website Banners** to capture relevant engineering and tech audiences with high-visibility placements ensured exposure to relevant talent pools.
- **Newsletter Ads** for high engagement from job-seeking subscribers. Positioned at the top of the newsletters, MAN Energy's ads captured attention and drove engagement among qualified candidates.
- **Partner Profile & Category Sponsorship** to reinforce MAN Energy's brand as a sustainability leader and reach top talent in targeted fields.

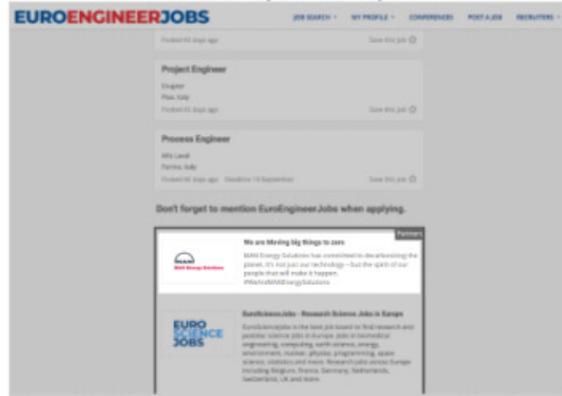

Results:

- **Increase in Job Traffic:** Higher visibility drove significant engagement from skilled candidates in engineering and technology.
- **Stronger Brand Perception:** Enhanced reputation as a top sustainable employer attracted value-aligned applicants.
- **Increase in Application Quality:** Targeted ads reached highly qualified candidates.
- **Cost Efficiency:** Strategic bundling expanded reach without exceeding budget.

Conclusion:

Our multi-channel approach with EuroEngineerJobs and EuroTechJobs helped MAN Energy attract top-tier talents and strengthen its employer brand in sustainable energy, achieving measurable results within budget.
