## ABOUT SPACE-CAREERS.COM

Space-Careers is a premier niche job site meticulously designed to connect recruiters with top-tier space-industry professionals across Europe and around the globe. Recognized as the industry's leading platform, Space-Careers has become an essential resource for organizations seeking specialized talent in the space sector.

Every week, Space-Careers attracts thousands of highly skilled candidates, whose expertise spans a broad spectrum from engineering and research to business services, all unified by a shared passion for the space industry.

The site features an extensive array of listings in key areas such as Engineering, Research, Project Management, Space Software Engineering, Satellite Manufacturing & Operations, among many others. By centralizing these opportunities, Space-Careers provides a streamlined experience for professionals seeking to advance their careers in the European space industry.

By choosing to advertise with Space-Careers, you gain access to a targeted, highly engaged audience through visually impactful and strategically placed graphical advertisements. Our advertising solutions offer a variety of formats - including banners, logos, category sponsorships, and more - each meticulously designed to uphold our strong brand credibility while maximizing your visibility.

Whether your goal is to build brand awareness, drive traffic to your website, or promote opportunities, our ad placements are optimized for maximum visibility and engagement.

## SOME OF OUR CLIENTS

## WHAT CLIENTS ARE SAYING

*“ We are extremely satisfied with our experience using Space-Careers. The platform operates seamlessly, and we especially appreciate the team's quick responsiveness. Whenever we needed support, the staff was readily available. Our job postings were always published promptly and efficiently. We highly recommend the platform to any company in the space industry!*

**Ana Glavas, HR - Talent Acquisition, Peak Technology**

*I'm very satisfied with the outcome of our "Spacecraft Controller" posting so far. We had a lot of applicants through Space-Careers, so the data mirrors our own impression.”*

**Christian Maruszyk, HR Business Partner - Recruitment, Telespazio Germany**

## BANNER ADVERTISING

Displaying your message through banner advertisements on our website, which attracts around 8,000 unique visitors every month, is one of the most powerful channels for engaging with space professionals from across Europe. Our platform is a trusted resource among engineering and space experts, offering you a unique opportunity to connect directly with a highly specialized audience.

Our most sought-after option is the Leader Board website banner. Your advert will be displayed prominently at the top of our job search pages to capture maximum attention.

## Requirements:

- Maximum file size of banner - 50K
- Supported image files - JPG, PNG, GIF
- Supported banner types - Leatherboard

## YOUR ADVANTAGES

Because the website serves space professionals throughout Europe, advertising here enables you to reach a specialized, high-value audience that is likely to be interested in your products or innovations. The standard 728 x 90 pixel ad size provides ample space to convey a clear and compelling message with impactful visuals, while also being versatile enough to integrate smoothly into different design layouts.

## WEBSITE BANNER AD RATE CARD

Format	Size	Page impressions/month	Approx. share of monthly P.I.	Price
Leaderboard	728x90 pixels	20 000	20%	€ 600
		40 000	40%	€ 1000
		80 000	80%	€ 1800

Contact our sales team at [sales@space-careers.com](mailto:sales@space-careers.com) for further information.

The screenshot shows the SpaceCareers website interface. At the top, there's a navigation bar with 'YOUR BANNER' in a large blue box. Below it, the main header reads 'Mechanical Engineer, Remote Sensing, Optics and GIS, Robotics Engineer and Systems Engineer Jobs'. There are search filters for 'Mechanical Engineer', 'Remote Sensing, Optics and GIS', 'Business Engineer', and 'Systems Engineer'. The main content area features several job listings, each with a company logo, job title, location, and a brief description. For example, 'Senior Systems Engineer' by Airbus, 'Mission Operations Preparation Team Lead' by Airbus, 'Satellite Lead Systems Engineer' by Airbus, 'System Engineer - Range of Launchers' by Airbus, and 'Service Engineer' by Airbus. On the right side, there are sections for 'Top Jobs', 'Free Job Alerts', 'Space Conferences', and 'Partners'.

## NEWSLETTER ADVERTISING

The Space-Careers Newsletter is sent to thousands of space experts every week – and it is read carefully by its recipients. Communicate your message to them in a quick and effective banner format!

Seize the opportunity to connect with top experts in space sector through our quick and effective banner format. Whether you're promoting a new product, announcing an event, or enhancing brand awareness, our newsletter banner ads provide a powerful way to convey your message with precision and immediacy.

### Formats:

- Logo (120 x 60 pixels) and Text Ad
- Leader board Banner (728 x 90 pixels)

### Requirements:

- Logo + Text: 120 x 60 pixels (formats: JPG, PNG, GIF), title: 80 characters, advert body: 300 characters (incl. spaces)
- Banner: 728 x 90 pixels, of no more than 50K file size, file formats - JPG, PNG or GIF

## YOUR ADVANTAGES

Your ad will be placed at the top of this effective news medium – just below the Space-Careers logo. By securing this prime position, your brand will be the first thing thousands of users see when they open the newsletter, ensuring unparalleled visibility.

### NEWSLETTER AD RATE CARD

Newsletter	Format	Price
Space-Careers Newsletter (Thousands of weekly subscribers)	Logo (120x60 px) + text ad	€ 1000/Newsletter
	Leaderboard banner (728x90 pixels)	€ 1000/Newsletter
